## Double-Sided Upright Aluminum Frame with Outbound Aluminum Posts

Frame bolts to provided 3x3x60" aluminum post for in ground installation.

For use with a 18"h x24"w page, providing a viewable area of 17"h x23"w.

Double-sided upright display, displaying 4 pages of most books

Longer posts and surface mounted posts available.

Sign panel mounts  
28-32" from grade

Prepare footing depth per your region's requirements.

Ensure post is plumb and level while back filling with appropriate material.

Top rail removable for page installation.

The 2 sheets of acrylic - with the laminated page between them - slide into the exposed channel in the frame

The powder coated aluminum frame has a 1 year warranty.

Made in the USA!

### Cleaning Instructions

Use a soft cloth and dilute soap and water to wash and dry the displays.

**DO NOT USE** ammonia cleaners (Windex) or paper towels.

### Assembly Instructions

1. Remove the top frame rail and removable frame side, Install the frame to the post, using drive rivets and a hammer and punch.

### Page Installation – first time

1. Remove the blue masking from both sides of the acrylic.
2. Place your page and optional colored backer between the sheets of acrylic. Be sure your pages are numbered.
3. Remove the bottom frame rail using the provided driver.
4. Slide all the sheets up into the exposed channel in the frame.
5. Replace the bottom rail.

### Cleaning Instructions

Use a soft cloth and dilute soap and water to wash and dry the displays.
